

Practica 1: Introduction

The subject of the class was explained in 2 hours. We are going to work in a class project in groups of 2, each group choosed a pregiven project to work on it.

My team "RED" choosed the "E-Commerce con Seguimiento de Clientes".

Instructions for Homework were given:

Bring another SO different of Windows. "As Linux, Mac etc."

Complete Practice's from 1 to 5
